Each leg of the transport must be documented on separate lines. Inability to obtain a client or attendant's signature must be documented. Service must not be denied to the client or their attendant on the basis of refusal to sign. A client or attendant may place a mark on the driver log in place of their signature when they are unable to sign. The driver or attendant must sign beneath the mark as the witness.

I certify that all the information contained here in is true and accurate, and understand that this statement is made subject to the applicable penalties under federal and state law for making false declarations
