NOTE* Leg of transport --a leg of transport is the point of pick-up to the destination. Example: Picking recipient up at residence and transporting to the doctor office would be considered one leg; picking the recipient up at the doctors office and transporting back to the residence would be considered the second leg of the trip. Each leg of the transport must be documented on separate lines. A signature is required for each leg of the transport. Pick-up and drop-off times must be documented and in military time. I understand that ModivCare Solutions, LLC will verify the accuracy of the mileage being reported and I hereby certify the information herein is true, correct, and accurate. Place an A in this column if the Attendant was approved by ModivCare and you are billing for Attendant services. You must receive approval prior to billing for attendant services.
